See www.recyclerfinder.com for additional recycling options based on ZIP code and radius

Brown Barrels: Trash ONLY; Blue Barrels: Recyclables ONLY

Please place barrels at least 4 feet from mailboxes with space between them

Reminder: Put your trash out the night before or by 5:30 AM on day of pickup

Put Your Recycling and Trash Barrels Curbside *Every Week*

Please remember to keep the barrel lids closed, placed as close to the curb as possible and oriented as shown on the barrel lids. Leave space between the Recycling Barrel and the Trash Barrel.

What to Recycle at Curbside in the Blue Barrel	How to Recycle	What NOT to Recycle
Glass Containers: Bottles and jars with lids and caps in place.	Rinse clean. Labels, lids, and caps should be left on.	Light bulbs, mirrors, window glass, plate glass, white/opal glass, Pyrex, pottery, ceramics and cork stoppers.
Metal: Food, beverage and other containers made only of aluminum, tin, steel or some combination of these three metals; empty aerosol cans; clean aluminum foil.	Rinse clean. Ball up clean aluminum foil.	Paint cans, coat hangers or wire. Metals other than aluminum, steel, tin or some combination of these three metals.
Paperboard Boxes/Cartons: Includes food boxes, gift boxes, shoe boxes, shirt paperboard, paper roll cores, milk and orange juice cartons. Aseptic food packages (e.g., juice boxes, tomato sauce, broth and soup). Boxes must have foil or wax paper removed from insides.	Flatten. Remove any foil or wax paper interior packaging.	Paperboard that is contaminated with residue (e.g., pizza boxes with food residue).
Plastic Containers and Trays: All plastic containers, trays lids, caps and/or closures must have one of the recycling symbols on each item:  Plastic plant containers, plastic flower or plant pots may also be recycled.	Rinse clean. Containers may be flattened or not flattened.	Plastic grocery bags. Styrofoam (even if it has a recycling symbol and/or number on it).
Paper: Includes newspapers, mail, envelopes, clean paper plates, magazines, catalogues, office and school paper, file folders, paperback books, telephone directories, paper bags, holiday wrapping paper and cards.	Place in blue barrel with your recyclables.	Any paper contaminated with food residue, Mylar or metallic wrapping paper, shredded paper.
Corrugated Cardboard: Corrugated cardboard looks like this: 	Flatten boxes – must fit completely in Recycling Barrel. Remove Styrofoam or other packing material.	Corrugated cardboard with wax coating and/or foil or plastic film lamination. Corrugated cardboard that is contaminated with residue (e.g., pizza boxes with food residue).
