www.paintcare.org/locator/index.php

(enter your ZIP code for locations near you).

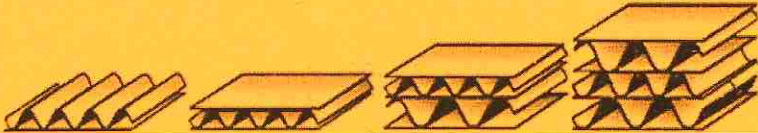

See **www.recyclerfinder.com** for additional recycling options based on ZIP code and radius

Brown Barrels: Trash ONLY; Blue Barrels: Recyclable items ONLY
Reminder: Put your trash out the night before or by 5:30 AM on day of pickup

Put Your Recycling and Trash Barrels Curbside *Every Week*

Please remember to keep the barrel lids closed, placed as close to the curb as possible and oriented as shown on the barrel lids. Leave space between the Recycling Barrel and the Trash Barrel.

What to Recycle at Curbside in the Blue Barrel	How to Recycle	What NOT to Recycle
Glass Containers: Bottles and jars; lids, caps and closures.	Rinse clean. Labels may be left on.	Light bulbs, mirrors, window glass, plate glass, white/opal glass, Pyrex, pottery, ceramics and cork stoppers/closures.
Metal: Food, beverage and other containers made only of aluminum, tin, steel or some combination of these three metals; empty aerosol cans; clean aluminum foil.	Rinse clean. Ball up clean aluminum foil.	Paint cans, coat hangers or wire. Metals other than aluminum, steel, tin or some combination of these three metals.
Paperboard Boxes/Cartons: Includes food boxes, gift boxes, shoeboxes, shirt paperboard, product boxes, paper roll cores, milk and orange juice cartons. Aseptic food packages (e.g., juice boxes, tomato sauce, broth and soup). Boxes must have foil or wax paper removed from insides.	Flatten. Remove any foil or wax paper interior packaging.	Paperboard that is contaminated with residue (e.g., pizza boxes).
Plastic Containers and Trays: All plastic containers, trays lids, caps and/or closures must have one of the recycling symbols on each item:  Plastic plant containers, plastic flower or plant pots may also be recycled.	Rinse clean. Containers may be flattened or not flattened.	Plastic bags. Styrofoam (even if it has a recycling symbol and/or number on it). Plastic containers with metal rims.
Paper: Includes newspapers (with any inserts), mail, envelopes (envelopes with clear or translucent windows are OK to recycle), magazines, catalogues, office and school paper (shredded paper is OK to recycle), file folders, paperback books, telephone directories, paper bags.	Place shredded paper in blue barrel with your recyclables.	Any paper contaminated with residue (e.g., paper bags with pastry residue).
Corrugated Cardboard: Corrugated cardboard looks like this: 	Flatten boxes – must fit completely in Recycling Barrel. Remove Styrofoam or other packing material.	Corrugated paperboard with wax coating and/or foil or plastic film lamination. Corrugated paperboard that is contaminated with residue (e.g., pizza boxes with food residue).

What to do with other recyclables not collected curbside

Leaves	Grass Clippings	Household Batteries	Rechargeable Batteries	Vehicle Batteries	Uncontaminated Waste Oil	Contaminated Waste Oil	Empty Propane & Helium Tanks
