Social Services:

1. Status Quo

East Shore District Health Department: North Branford has 5 confirmed cases.

COVID-19 Update March 31, 2020: As of March 31, 2020, a total of 3128 laboratory-confirmed cases of COVID-19 have been reported among Connecticut residents (Figure 1). Six hundred and eight patients are currently hospitalized. Sixty-nine residents have died. In addition to the deaths related to COVID-19 that have been reported to the Department of Public Health (DPH), this update contains information on the number of deaths that have been reported to the Office of the Chief Medical Examiner (OCME). Today, the OCME provided information on 14 additional COVID-19 related deaths that occurred during March 17-29. There were 16 COVID-19 related deaths on March 30, and 3 on March 31. Moving forward, deaths reported to either the OCME or DPH will be included in the daily COVID-19 update. All data in this report are preliminary; data for previous dates will be updated as new reports are received and data errors are corrected. Hospitalization data were collected by the Connecticut Hospital Association.
