Brown Totes: Trash ONLY; Blue Totes: Recyclables ONLY

Please place totes at least 4 feet from mailboxes with space between them

Reminder: Put your trash out the night before or by 5:30 AM on day of pickup

Please store totes away from streets and sidewalks after pickup

Put Your Recycling and Trash Totes Curbside *Every Week*

Please remember to keep the tote lids closed, placed as close to the curb as possible and oriented as shown on the tote lids. Leave space between the Recycling Tote and the Trash Tote.

What to Recycle at Curbside in the Blue Tote	How to Recycle	What NOT to Recycle
Glass Containers: Bottles and jars with lids and caps in place.	Rinse clean. Labels, lids, and caps should be left on.	Light bulbs, mirrors, window glass, plate glass, white/opal glass, Pyrex, pottery, ceramics and cork stoppers.
Metal: Food, beverage and other containers made only of aluminum, tin, steel or some combination of these three metals; empty aerosol cans; clean aluminum foil.	Rinse clean. Flatten clean aluminum foil.	Paint cans, coat hangers or wire. Metals other than aluminum, steel, tin or some combination of these three metals.
Paperboard Boxes/Cartons: Includes food boxes, gift boxes, shoe boxes, shirt paperboard, paper roll cores, milk and orange juice cartons. Aseptic food packages (e.g., juice boxes, tomato sauce, broth and soup). Boxes must have foil or wax paper removed from insides.	Flatten. Remove any foil or wax paper interior packaging.	Paperboard that is contaminated with residue (e.g., pizza boxes with food residue).
Plastic Containers and Trays: All plastic containers, trays lids, must have one of the recycling symbols on each item:  Plastic plant containers, plastic flower or plant pots may also be recycled. However, NO BLACK PLASTIC.	Rinse clean. Containers may be flattened or not flattened.	Plastic grocery bags, caps, Styrofoam (even if it has a recycling symbol and/or number on it), black plastic.
Paper: Includes newspapers, mail, envelopes, clean paper plates, magazines, catalogues, office and school paper, file folders, paperback books, telephone directories, paper bags, shredded paper (only if placed in paper bags), holiday wrapping paper and cards.	Place in blue tote with your recyclables.	Any paper contaminated with food residue, Mylar or metallic wrapping paper, loose shredded paper.
Corrugated Cardboard: Corrugated cardboard looks like this: 	Flatten boxes – must fit completely in blue tote. Remove Styrofoam or other packing material.	Corrugated cardboard with wax coating and/or foil or plastic film lamination. Corrugated cardboard that is contaminated with residue (e.g., pizza boxes with food residue).

What to do with other recyclables not collected in blue totes

Clothing, Shoes, Accessories	Leaves	Grass Clippings	Household Batteries	Vehicle Batteries	Waste Oil	Plastic Film & Grocery Bags	Empty Propane Tanks
Place in pink bags and leave next to your blue recycling tote weekly	Backyard compost Leaf Dropoff Area See detail on front of card for curbside pickup	Backyard compost	HazWaste Central	HazWaste Central Public Works Facility*	Uncontaminated Public Works Facility* Retail Store Contaminated HazWaste Central	Without food residue – see Plastic Film Recycling Program on Town website for list of Town, grocery, and retailer dropoff locations	North Branford Recycling Center Propane: size-based fee charged

Electronics Waste: (e.g., TV's, CD/DVD Players, VCR's, computers, monitors, printers) - North Branford Recycling Center 9 AM — Noon, March 7, July 11 and November 7; also, check your local electronics retailer. **Tires:** on November 7 only (size-based fee charged).

*The Public Works Facility is open Monday through Friday from 8 AM to 2:30 PM with Summer Hours from 7:30 AM to 2 PM

Definitions

Household Batteries: Any battery used for normal household use, e.g., AA, AAA, C, D, 9 volt and Hearing Aid, as well as rechargeable, and non-automotive batteries

Scrap Metal: Air conditioners, metal lawn furniture, large appliances (refrigerators, with doors removed), hot water tanks, tools, metal fencing, filing cabinets, furnaces, garbage pails, non-riding lawn mowers with gas removed, microwaves, outdoor grills, small machines and aluminum siding. (Please note that scrap metal may only be placed at the curb up to a week before your scheduled pickup day during the April 13 to 17 and November 2 to 6 special pickup periods).

Bulky Waste: Tree limbs, tree branches, scrap wood, rugs (tree limbs, tree branches, scrap wood, and rugs all need to be less than 4 feet long, no thicker than 4 inches and need to be bundled and tied), couches, mattresses, box springs, picnic tables and wooden furniture. (Please note that bulky waste may only be placed at the curb up to a week before your scheduled pickup day during the April 13 to 17 and November 2 to 6 special pickup periods). **No scrap vehicle parts. No home cleanouts.**
